Online Auction

DONATE TO SUPPORT MI PIGS 2024

Seeking Consignments

MI Pigs will be hosting an online fundraiser auction in January to support the 2024 MI Pigs program year. We are looking for consignment donations for this auction. We will consider hog sale credit, semen lots or credit toward purchase of semen, hog show equipment, art or suitable items that might be of interest to a hog show enthusiast! Just about anything!

MI Pigs Program 2023 had an overwhelming 110 youth who participated in over 20 shows here in Michigan! The youth show pig program in Michigan is strong and growing and we could use your help to appreciate these talented youth! Donors will be recognized for their sponsorship during the MI Pigs 2024 program year!

Consignments are due by January 10, 2024 to Carla McLachlan. A brief description of the item, photos (if appropriate), sponsor name and logo is all you need to consign! Drop Carla an email if you have consignments or ideas!
