

MI Pigs 2024

Carla McLachlan - Youth Programs Director - 517-242-2395 – mipigsinfo@gmail.com

MI PIGS is a youth program that recognizes Michigan's youth exhibitors through sanctioned pig shows that include showmanship and educational contests and activities. Youth who participate in the sanctioned shows earn points for their placing. Points are tracked for pigs shown by that exhibitor, showmanship and educational contests and activities.

The **MI PIGS** program goals are to:

- Encourage youth to participate in showing pigs throughout the state
- Develop leadership and promote education
- Recognize the youth showing pigs in Michigan
- Develop youth with a better understanding of the swine industry in Michigan

Youth participants will earn points in the following areas:

Showmanship, Educational contests (held at Green & White, Spartan Classic, and other posted online opportunities) as well as your highest pig placing at sanctioned shows. End of year prizes will be awarded in Showmanship (Top in each of the 5 divisions as well as overall), Educational contests, and Top youth overall (a combination of showmanship, educational and pig placings) and Top Pigs divisions.

Exhibitors will have the opportunity to nominate individual hogs to be recognized at the end of the year! (Additional fee required).

MI PIGS program Rules & Regulations:

1. Only Michigan residents who are 3 years old by January 1, 2024, but not older than 21 as of January 1, 2024 are eligible to participate in the program. MI PIGS sanctioned shows must follow the age guidelines that will allow youngest (3 yrs. as of 1/1/24) or oldest (21 yrs. as of 1/1/24) MI PIGS youth to participate in a competitive setting. (MLE age requirements are an exception). We welcome youth with a chronological age greater than 21 years of age who participate in 4-H or school activities with their developmental aged peers, to participate. (As recommended by the American with Disabilities Act).
2. MI SHOWS exhibitors must be a resident of Michigan for more than 6 months in each calendar year and must attend a Michigan school (exception made for Michigan resident college students attending out of state institutions).
3. To participate, MI PIGS exhibitors must pay a \$25 registration fee. This is a one-time fee for the show season. (March to September 2024) Each exhibitor must complete the entry process BEFORE the exhibitor's first sanctioned show. In 2024 educational contests at Green & White and the FFA Show (Jan 2023) will also be included.
4. Online entries – Exhibitors are responsible for completing the registration process using the online system (Showman.app). Online registration will have a date/time stamp and must be completed prior to the first show where the youth exhibitor will be collecting points. (exception in 2024 for educational contests in January). IMPORTANT: The log in used for MI Pigs Series sign up is the SAME Log in that must be used for all entries for sanctioned shows! This is CRITICAL to accomplish appropriate points calculation. All youth in a family may be signed up using a single log in account. This account should be made available to all family members who might be completing entries for the shows in 2024.
5. All animals entered in MI PIGS must be in the ownership, possession, and care at the time of the entry by the MI PIGS exhibitor and/or immediate family and must remain in the ownership, possession, and care of the exhibitor/family throughout the remainder of the show season.

6. The animal must be owned by the youth exhibitor and/or family. To receive points the animal must be shown by the youth making entry. Exceptions for 2 or more animals in the same class.
7. MI PIGS exhibitors that are physically unable to show their animal, may have another MI PIGS exhibitor show it for them, but the owner must be present at the show and inform the MI PIGS director of the situation to earn points. If a MI PIGS exhibitor becomes ill after check-in at a show, they must contact MI PIGS director or show staff for approval. If an exhibitor becomes ill at home before leaving for a show, and cannot attend, then no points will be awarded.
8. Showmanship will be offered at every MI PIGS sanctioned show. Exhibitors must show their own animal entered in the show (or a family members pig) in showmanship to receive points. Showmanship divisions: Beginner 3-7 years; Novice 8-11 years; Junior 12 – 14 years; Intermediate 15-17 years; and Senior 18-21 years.
9. If the animal is disqualified during a class, the exhibitor will lose all points for that animal for that show.
10. Any protest regarding the MI PIGS rules not being executed at a sanctioned show must be filed at the MI PIGS sanctioned show. The protest must be written and accompanied by \$100.00. The person placing the protest is responsible for all costs incurred to verify the protest. The written protest must state plainly the cause of the complaint and must be filed before the championship drive at the show. MI PIGS protests need to be turned into a MI Pigs director (or other MI Pigs Committee members) and will be handled by the MI PIGS committee. If protest is valid the \$100 is returned, otherwise MI PIGS retains the \$100. MI PIGS reserves the right to review any possible rule violations.
11. **Conduct.** Any unsportsmanlike conduct or misrepresentation on the part of a MI PIGS exhibitor, parent or board member will not be tolerated. All exhibitors are always expected to be cooperative and courteous. If a MI PIGS exhibitor or parent, is found to have misrepresented themselves potential disciplinary actions may follow. This includes social media. If proof is brought to the attention of the MI PIGS director that you violated a MI PIGS rule or have shown unsportsmanlike conduct, MI PIGS board of directors has the right to remove points from animal/exhibitor that is found in violation or suspend/expel an exhibitor from MI PIGS. MI PIGS exhibitors expelled from a sanctioned show for major rules violations, inhumane treatment, or similar activities, may be considered for expulsion from the MI PIGS program. The board of directors will have the responsibility of determining violations and or sanctions within the MI PIGS program and their determination is final.
12. **Conduct and Registration:** All youth and families who register for MI Pigs membership are agreeing to abide by the rules and all conduct as stated above. Illegal activities at MI Pigs events by youth/family members as well as unsportsmanlike or unethical conduct may result in expulsion from the MI Pigs program.
13. MI PIGS does not govern sanctioned shows. The show must uphold its own set of rules. If there is a question at a sanctioned show, each individual show will handle the situation accordingly. If an exhibitor is disqualified from a show, the exhibitor will not receive any points from that show.
14. Point totals will be published using the online system. Educational Contest points will be posted separately. It is the responsibility of each exhibitor to review totals for accuracy and report any discrepancies within 15 days of the posting.
