To Whom It May Concern,

On behalf of the MI Pigs Youth Program, we are excited to extend an invitation to you to become a proud sponsor of the 2026 MI Pigs Show Season.

The MI Pigs Youth Program was created to recognize and support Michigan youth who are passionate about exhibiting swine across the state. These young individuals demonstrate exceptional leadership, dedication, and sportsmanship while gaining hands-on experience in the swine industry.

Through your sponsorship, our organization can award and recognize youth who excel in multiple areas, including educational contests, judging competitions, showmanship, and participation in sanctioned MI Pigs shows. We utilize a comprehensive point system to track each exhibitor's growth, encouraging continual learning and improvement throughout the season.

MI Pigs also works to foster a deeper understanding of the swine industry in Michigan. By encouraging youth to stay involved and educated, we are helping to develop the future leaders and advocates of Michigan agriculture. Watching these young people gain confidence, knowledge, and respect for the industry is one of the greatest rewards of this program.

We are currently seeking sponsors for the 2026 season, and your support will directly contribute to youth awards, program materials, educational resources, and the overall success of this initiative. Sponsorship not only benefits the youth involved but also connects your organization with Michigan's agricultural community and demonstrates your investment in the next generation of leaders.

We would be honored to have your support. Enclosed, you will find a sponsorship form outlining the different levels of support and the recognition provided at each tier. If you have any questions or would like to discuss a customized sponsorship opportunity, please don't hesitate to contact us.

Thank you for your time and consideration. With your help, we can continue to grow a stronger, more knowledgeable, and more inspired generation of Michigan swine exhibitors.

To ensure we can include your logo on all our promotional materials, we need to finalize sponsorships by January 1, 2026. This allows us to display our 2026 sponsors at our kickoff show, Green and White, at the end of January 2026.

Sincerely,
Dawnel Antrup
